Features & Benefits

- 5 year warranty - This covers any manufacturing defect within period but does not cover 'fair wear & tear'
- Fully welded frame construction- Suitable for contract use in commercial and educational environments
- 50mm x 50mm mild steel material - Strong quality construction suitable for high usage areas
- Easy clean surfaces - Easy to keep clean and tidy in a busy working/education environment
- High impact resistant edges - Edges do not dent when moved or butted up together
- Very robust and heavy - Great for education environments which have high usage and not easily moved
